ADDRESSES

Any member may enter in a book, to be kept at the House, a mail address to which all notices to be sent to

him shall be directed. In default of such entering, such notices may be served by mailing them addressed to him at the place given as his residence by his proposer.

ARTICLE XI

No betting or playing of any game for stakes shall be allowed in the House.

ARTICLE XII

This Constitution may be amended at any regular or special meeting of the Club at which not less than twenty-five members are present, by a vote in favor of the amendment of two-thirds of the members present. Notice of the proposed amendment shall be posted by the Secretary openly in the House at least twenty days before such meeting and shall be mailed to each resident member at least ten days before such meeting. The Secretary shall so post and mail notice of a proposed amendment when requested to do so by the Council or requested to do so, in writing, by any standing committee, or by twenty-five members of the Club.

House Rules

As the Princeton Club of New York is moving during the current year, House Committee rules for the new Club House will be posted on the bulletin board in the new house.

Rules of the Committee on Admissions

I

At the first meeting of the Committee after the annual meeting of the Club, the following officers shall be elected, to serve for one year and until their successors are elected:

(1) A Chairman. It shall be the duty of the Chairman to preside at the meetings of the Committee. In his absence the Committee shall choose a chairman from their number.

(2) A Secretary. It shall be the duty of the Secretary to keep a record of the proceedings of the Committee; to give notice of all meetings; to receive all letters addressed to the Committee in regard to candidates for membership in the Club, and to see that such letters are submitted to the Committee at the meeting at which the names of the candidates are considered; to send to the Secretary and Treasurer of the Club the names, addresses and classes of membership of all candidates elected, and to post a list of such names in a conspicuous place in the Club-house.

II

Regular meetings of the Committee shall be held on the second Tuesday of each month, except the months of July, August and September. Special meetings may be called by the Chairman. Five members shall constitute a quorum. The proceedings of the Committee shall be secret and confidential.

III

At meetings of the Committee the order of business shall be:

1. Roll-call.
2. Reading of the minutes of previous meeting.
3. Reading letters in regard to, and voting on, each candidate for membership.
4. Reports of sub-committees.
5. Miscellaneous business.

IV

1. The Committee on Admissions shall consider and vote upon, separately, by ballot, all candidates for membership who have become eligible, as prescribed in Article IV. Two negative votes shall reject a candidate. Whenever a candidate shall be found to have received two negative votes, the vote shall not be considered final. His name may then be withdrawn at the request of any member present, and will not be acted upon a second time except upon motion duly made and seconded. If a candidate's name is not withdrawn, the Committee shall immediately vote a second time. The result of the second vote shall be final.

2. The proposer, and at least one seconder, of a candidate for membership in the Club, are required to send to the Committee on Admissions *letters of recommendation*, vouching for the candidate, and stating the length of time the writer has known him, his profession or occupation since leaving the University, and such facts bearing

upon his qualifications for membership as shall satisfy the Committee that the candidate will be a desirable member. Until the receipt of such letters the Committee shall not pass favorably upon the name of any candidate. Nor shall any person be considered for election to membership until his name, the kind of membership desired—whether Resident or Non-resident, the details of his qualifications for membership, degree, department of the University, class, length of stay, etc., his residence and business addresses, and the names of his proposer and seconder, shall have been entered in a book, to be kept for the purpose in an accessible place in the Club-house, and shall have been posted in a conspicuous place in the House for at least two weeks.

3. If letters of recommendation from the proposer and seconder, or either of them, shall not have been received by the Committee before the first meeting at which the name of the candidate could otherwise come before it for action thereon, it shall be the duty of the Secretary of the Committee to notify the member or members from whom such letter or letters are due, of this requirement, and if such letter or letters shall not have been received before the next regular meeting of the Committee thereafter, the name of such candidate shall be deemed to have been withdrawn, and will be dropped from the list of candidates.

4. A candidate for election to the Club must be or become known to one or more members of the Committee, or, in case of non-resident applicants, the candidate's proposer or seconder must be so known.

5. Members are requested under no circumstances to propose candidates for admission without first having obtained the consent of the person proposed.

6. No member of the Committee on Admissions shall propose or second a candidate for membership.

V

Any amendment to these rules (except such as are provided for by the Constitution of the Club) shall be proposed at one meeting, and voted upon at the next regular meeting of the Committee.

Rules for Admitting Guests

1. The name and residence of each guest, the name of the member introducing him, and the date and period of introduction shall be entered, immediately upon every introduction, in the Guest Book.

2. A person neither residing nor having a place of business in the Borough of Manhattan of New York City may, on introduction by a member, have the use of the house for not more than two weeks, but shall not be introduced under this rule more than once in three months.

3. A member may register and entertain in the House, in company with himself, not more than two guests at a time, without restriction as to their residence.

No person residing or having a place of business in the Borough of Manhattan of New York City, unless accompanied by a member, shall be admitted to or remain in any part of the house except the guests' reception-room and the private dining-rooms.

4. All officers and professors of Princeton University residing at Princeton, and the members of the senior class of all departments, shall have the privilege of using the House at any time upon introduction by a member on each occasion.

5. Minors who are students at Princeton may be introduced as guests. Other minors, if not less than sixteen years old, may be admitted to the house not more than once a year, but must be accompanied by members while in the house. Privileges under this rule may be

withdrawn in any specific case by any member of the House Committee.

6. The House Committee, by vote, may admit persons of distinction to the use of the house for a period not exceeding thirty days continuously.

7. Guests shall not give entertainments in the house, nor be present at business meetings, nor give any gratuity to an employee.

8. The use of the house may be withdrawn from any guest by the House Committee.
